Base your answer to the question underneath on the cartoon below and on your knowledge of social studies.

This World War II cartoon was used to encourage Americans to

a. buy war bonds
b. conserve natural resources
c. serve in the armed forces
d. work in war industries

Answer

b. conserve natural resources

The cartoon is asking citizens to ration their fuel because it is needed in the war effort. It is more important that we conserve fuel for our troops that driving to work if it is possible for you to walk.
